## Description

**GOBBI 315 SPORT CRUISER**, from 2002, powered by two 200 hp Volvo TAMD 41 diesel engines and a Z-drive sterndrive, guarantees power, reliability, and maneuverability. Its 500 L fuel capacity and 110 L water capacity allow you to enjoy long sea trips with complete peace of mind.

Fully equipped for your comfort: dual-control electric windlass, 300W solar panel, Dolphin charger, two new batteries (2022), 220V circuit, two 12/220V transformers, TV, and radio. The interior and exterior leatherette upholstery were redone in 2022 and 2023, ensuring a modern and refined look.

The interior offers four comfortable berths: a spacious mid-cabin with the option of double berths or twin beds, and a convertible saloon. You'll also find a bathroom equipped with a sink, shower, and hand-held toilet, as well as a functional galley area including a sink, stovetop, microwave, and an indoor refrigerator.

Outside, enjoy an additional refrigerator, an outdoor sink, a shower on the aft deck, a gangway, davits, camping covers, and bow and aft sunbathing areas. The integrated swim ladder provides easy access to the water for swimming.

Virtual tour available upon request.
