Description

PRINCESS V65 from 2002 – 4 Cabins – Completely Renovated in 2023

Princess Yachts is recognized worldwide for the quality of its hulls, the elegance of its lines, and the reliability of its yachts. The V65 is one of its most sought-after models: a 20-meter sporty yacht, both high-performance and comfortable, ideal for fast cruising in the Mediterranean.

Built in 2002 and completely renovating in 2023, this V65 combines timeless style with modern amenities. It is powered by two 1,300 hp MAN engines, offering a cruising speed of approximately 30 knots and remarkable seakeeping, even in rough seas. The brand's signature deep-V hull guarantees smooth, fast, and safe sailing.

The interior layout offers 4 cabins (1 Master, 1 VIP, 2 Twin), 3 bathrooms, a bright central saloon with an open galley, and high-end materials, refurbished during the renovation. Outside, the electric hardtop, swim platform, large sundecks, and spacious cockpit offer optimal comfort on board.
