Description

VANDUTCH 40 from 2013, powered by 2 x 480 hp Yanmar engines.

Iconic style. Masterful performance. Timeless elegance.

We offer this superb 2013 VanDutch 40, with only 480 original engine hours. This model is pre-owned, never used for charter, with VAT paid and all maintenance invoices since purchase. It is ready to set sail in optimal conditions.

Premium design and comfort with its rare and sophisticated "Potsy Blue" navy hull, elegantly contrasting with beige upholstery completely redone in 2024, this VanDutch 40 embodies pure elegance. The "Biscuit"-colored deck and new black bimini add to its contemporary and luxurious look.

The finishes live up to its reputation: high-quality materials, Silvertex quick foam upholstery, a spacious cockpit with sunbathing areas, a modular saloon with a Corian table that converts into a double berth, and a full bathroom with an electric toilet and integrated shower. Ideal for cruising in absolute comfort, day and night.

It is equipped for a smooth and intuitive sailing experience:

Easy Maneuvering System (joystick, bow and stern thrusters)

Simrad autopilot & navigation system

High-end Bluetooth audio system

Air conditioning, microwave, refrigeration, LED lighting, swim ladder, deck shower, ski pole

Designed for those seeking elegance, comfort, and exclusivity without compromise, this VanDutch 40 is an exceptional boat.
