ENGINE MANUFACTURER	POWER		
Cummins QSC 8.3	2 X 540 CV		

### Description

**AS MARINE 50** from 2006, model 2007, powered by two 540hp Cummins engines, which underwent a complete refit in 2024:

Complete inspection of the boat.

Replacement of all through-hull fittings, valves, and pipes.

Cleaning of the heat exchangers.

Major engine overhaul (filters, turbine, anodes, reverse gear).

Replacement of the shafts, propellers, couplings, hydrolube rings, and installation of PSS seals.

Replacement of the bow and stern thrusters, windlass, and anchor line.

Replacement of all electric pumps: those for the toilet, showers, and air conditioning.

Replacement of all upholstery, mattresses, carpets, awnings, and covers.

Hull cleaned down to the gelcoat and anti-fooling.

Replacement and addition of numerous pieces of equipment (see inventory)

A unit in excellent condition, meticulously maintained and winterized, with generous, comfortable and well-designed living spaces.
