Description

FAIRLINE TARGA 62 GRAN TURISMO, from 2013, model year 2014, powered by two Volvo D13-900.

British elegance, Mediterranean sportiness.

The Fairline Targa 62 Gran Turismo captivates with its perfect balance of refined design, living comfort, and seaworthy performance. Designed for lovers of elegant and fast cruising, this model offers a rare and sought-after layout.

Outside, the cockpit saloon, protected by an electric awning, extends into a large aft sundeck, ideal for days at anchor, complemented by a welcoming outdoor bar. The space flows smoothly, perfectly designed for entertaining family and friends in a chic and relaxed atmosphere.

Inside, the panoramic saloon floods with natural light thanks to the floor-to-ceiling windows and sunroof. This generous space becomes the heart of life on board, as pleasant for relaxing moments as for extending evenings after sunset.

The sleeping area is surprisingly generous: the full-beam master cabin, a true master suite, offers space, brightness, and comfort worthy of a much larger yacht. Two additional cabins, each convertible into a double or single bed, welcome guests in a spirit of conviviality and elegance.

In terms of performance, the Fairline Targa 62 GT remains true to the British shipyard's DNA: a deep-V hull for stable and precise sailing, powered by powerful Volvo Penta D13 engines (up to 900 hp) offering a top speed of 33-36 knots and optimal cruising comfort around 25 knots.

This unit features a tender garage and is for sale with a Williams.

In summary: An iconic yacht, with a timeless design and unique layout, perfect for those seeking elegance, performance, and exceptional living comfort.
