

SALE OCCASION

Beneteau Monte Carlo 47 HT

320 000 € VAT INCLUDED

Description

BENETEAU MONTE CARLO 47 HARD TOP, from 2010, one of the flagship models in the range, is appreciated for its IPS layout with joystick, which greatly facilitates maneuvering and frees up interior space thanks to the engine layout. With its three double cabins and two bathrooms, it offers rare spaciousness for a 47-foot boat, suitable for both family cruises and outings with friends.

This boat is powered by two Volvo D4-435s and benefits from numerous recent equipment and €50,000 in invoices over the last three years: exhaust elbows replaced in 2024, new batteries, new upholstery in 2024, new Raymarine autopilot (2024), air conditioning replaced in 2024, and an electric windlass with a new engine.

It also features an electric hardtop, an electric aft sun awning, a tender garage, a grill, Raymarine radar and VHF, and a chain counter.

Work required: teak joint repair.
