Description

SUPER VAN CRAFT 12.10 – KLAASSEN (1969)

Timeless Dutch Elegance

Built in 1969 by the prestigious Dutch shipyard Klaassen, this Super Van Craft 12.10 embodies the finest traditions of Dutch craftsmanship. With its elegant lines, steel hull, varnished mahogany superstructure, and teak deck, it will appeal to enthusiasts of characterful boats looking for an authentic, impeccably maintained, and ready-to-sail vessel.

A Warm and Comfortable Interior

Designed to offer excellent onboard comfort, the boat features a functional and welcoming layout.

Aft, the owner's cabin includes a double bed and a single bed, along with a private shower room and a separate toilet equipped with an SFA marine macerator.

The spacious central saloon—bathed in light thanks to panoramic views and an opening roof—serves as a true living area. It features an elegant linen settee, a refrigerator, and a bar unit.

The galley is equipped with the original three-burner gas stove and an electric oven.

Forward, there is a second shower room with a shower and toilet (SFA marine macerator), as well as a guest cabin with two single beds.

Meticulously Maintained

This Super Van Craft has undergone rigorous maintenance over the years.

The twin 115 hp DAF engines, renowned for their robustness and reliability, ensure a smooth, relaxed cruising experience with fuel consumption of approximately 10 to 15 liters per hour. Key recent works include:

Annual haul-out and antifouling (most recent in July 2026)

Complete stripping of the steel hull

Treatment and repainting of the hull, underwater sections, and bilges

Full varnishing of the coachroof, cockpit, and mahogany trim

Key equipment

Steel hull

Varnished mahogany coachroof and superstructure

Teak deck
Dual helm stations
Dual cockpit biminis
Helm seat
Cockpit bench seat with table
Dinghy davits with winch
Swim platform with ladder
Electric windlass
Refrigerator
Electric oven
Two bathrooms
Two heads with SFA marine macerator toilets
