Description

PRINCESS V62, from 2011,, privately used and powered by twin 1,250 hp MTU BV2000 M94 engines.

A very sound, well-maintained vessel featuring numerous options: Seakeeper, watermaker, bow and stern thrusters, air conditioning, generator, hydraulic platform, dishwasher, washer-dryer, and all the amenities expected of a yacht of this size.

Exterior features include a spacious aft cockpit with a kitchenette, large sunpads at both the bow and stern, and a tender garage.

The interior offers a lovely saloon and fully equipped galley, a large aft master cabin with en-suite bathroom, a forward VIP cabin, a twin cabin, and a second bathroom. There is also a separate crew cabin, currently used for storage.

An iconic model with a sporty, luxurious look and timeless lines that remain as appealing as ever. Its performance at sea is beyond question.

Available immediately, the yacht is being sold with its 3.25m Williams tender (also a 2011 model).

Please feel free to contact us at +33 6 27 27 32 29 or via email at contact@hedonism-yachting.com for further information, photos, or videos.
