#### VANDUTCH 40 from 2010 – An Icon of Elegance on Sea

The VanDutch 40 is far more than just a yacht; it is a true icon of luxury yachting. Renowned worldwide for its timeless elegance, minimalist design, and incomparable style, it has established itself over the past fifteen years as one of the most desirable luxury day boats in its class. A true symbol of prestige, it appeals to a clientele that values refinement, design, and exclusivity.

Presented in a stunning configuration featuring a navy blue hull paired with beige upholstery, this vessel exudes rare elegance and a striking presence. Whether at anchor or docked, the VanDutch naturally turns heads and embodies a unique lifestyle across the French Riviera—from Saint-Tropez, Cannes, and Monaco to Corsica and the Balearic Islands.

Powered by twin 480 hp Yanmar engines, this VanDutch 40 is designed to deliver a delightful cruising experience, whether for day trips, coastal cruising, or high-end charter operations. Its spacious aft sunpad and cockpit invite guests to share special moments in an atmosphere that is chic, refined, and relaxed.

The VanDutch never sought to compete with the most spacious boats in its category. Its interior—comprising a cabin and a bathroom—prioritizes a clean design and a perfectly balanced silhouette. It is precisely this philosophy that has earned it international acclaim: a boat where elegance, style, and image take precedence over everything else.
